Sapphire Fiduciary Advisors, LLC announces networking relationship with The Farmers National Bank of Lebanon.

Louisville, KY – January 30, 2023 – Sapphire Fiduciary Advisors, LLC (Sapphire) is pleased to announce its networking relationship with The Farmers National Bank of Lebanon (Farmers National Bank). Sapphire is a registered investment adviser that provides tailored investment advisory services for individuals, families, and institutions.

“Sapphire is delighted to work with Farmers National Bank and grateful for the opportunity to offer investment advisory services to customers of the bank. The professionals at Farmers National Bank appreciate the fact that Sapphire serves its clients as a fiduciary – we put clients’ interests above our own,” said Paul Stropkay, CFA, President of Sapphire. “Community banks that don’t offer investment advisory services run the risk of losing customers to competitors. Sapphire’s networking program provides a solution to this problem, as well as a new source of recurring non-interest income for community banks.”
